[Microsoft Windows 7 Language Pack 35 Languages Rtm X86 Dvd-msft](#)

The screenshot shows the Windows Update interface. The title bar reads 'Control Panel > System and Security > Windows Update > Select updates to install'. The main area is titled 'Select the updates you want to install'. On the left, there are two categories: 'Important (2)' and 'Optional (35)'. Under 'Optional (35)', there is a sub-section for 'Windows 7 Ultimate Language Packs (31)'. A table lists 31 language packs with their names and sizes. The 'Arabic Language Pack - Windows 7 Release Candidate (KB967828)' is highlighted. On the right, a detailed view for this update is shown, including a description, the publication date (5/26/2009), and a status 'Update is ready for downloading' with a download icon. Links for 'More information' and 'Support information' are also present.
